BLACKSBURG, VA., October 30.—
Blackstone Military Academy defeated the strong William and Mary Academy team here to-day. It was the prettiest game ever played on the Academy grounds. The visitors outdeficiency in weight was offset by the fighting spirit the Blackstone team displayed. There were no individual stars on the Blackstone team, as the entire team played a star game. The William and Mary team put up a good fight, but the odds in the fighting were fight, but the odds in the fighting were against them. If the name of any particular star of the Blackstone team had to be chosen, Capialn Goode deserves special mention. The final score was 23 to 7.
